Good morning to whom it may concern,

I was looking to hop on a quick call with the point of contact to understand what this citizen should provide in order to obtain a FOIA fee waiver? They have worked in a position of technical expertise at this site for over a decade and I wanted to know what I could relay to him to either assist in him gaining a fee waiver or thoroughly explain why it cannot be granted by the agency. Thank you in advance!

Hi Alayna,

I received the attached letter from your agency's general counsel.

I would be most grateful if you could assist in getting this cost waiver.

I have already invested hundreds of hours in assisting you and your agency, and SCDHEC, in this process over the last three years.

My FOIA request is on behalf of numerous public agencies, non-profits, and other stakeholder groups and individual citizens.

At this point my effort is essentially pro bono, and the public benefit of my receiving and sharing this information is clear.

Please advise at your earliest convenience, if you or your colleagues can assist with this waiver.

Many thanks,

Dave
